Shocking prices for new D3 Volvos

VOLVO AUTO INDIA HAS LAUNCHED THE D3 engine, a new variant of its existing D5 engine in India. The S60, S80 and XC60 get the new 5-cylinder turbo diesel engine. It produces 165PS of power and a whopping 400Nm of torque. Volvo has priced the S60 at ₹ 23.99 lakh, the S80 at ₹ 31.99 lakh and XC60 at ₹ 33.99 lakh for the D3 variants, ex-showroom Delhi. What is more interesting is that as an introductory offer, Volvo is offering a ₹ 80,000 discount on all the D3 variants. These variants are now available at all Volvo dealerships across the country. Volvo also promises improved fuel economy figures with this new engine. They claim that the S60 will now deliver 18.5kmpl, the S80 17.8kmpl and the XC60 14.7kmpl. Volvo say the D3 engine have a different injection system for the piezoelectric fuel injector when compared to the D5 engine and this gives it a smoother driving experience. To go with the performance Volvo has given the D3

variants of the S60 and S80 some additional safety features. Both the S60 D3 and S80 D3 get whiplash protection; active bending lights, dynamic stability traction control and laser assisted automatic braking. The XC60 D3 gets these features and also roll stability control and side impact protection system.
